Christian greetings!

This year, the annual Bible Based Messages (BBM), conducted by the Youth Ministries Department, will be held during the period **Friday June 15 - Sabbath June 16, 2018, at USC.**

Key devotional sessions will be facilitated by guest presenters along with specially selected local presenters.

BBM is an annual program in which Seventh-day Adventist Doctrines, Positions and Practices are Biblically explored. The participants are then challenged to make personal decisions, based on the insights gained, and to diary same as a commitment to follow through on these decisions.

It is recommended that the programme be residential, allowing greater effectiveness. This however, is not compulsory. To create accessibility and affordability, the Department has created **a variety of packages:**

- a. Basic registration- \$100.00 (includes BBM Diary & folder and access to all sessions).
- b. Basic Registration & Sabbath lunch **ONLY**- \$160.00
- c. Basic Registration and all meals on Sabbath- \$190.00
- d. Basic Registration with Accommodation and all Sabbath meals- \$325.00

**Topics in addition to the devotional features are:-**

1. Arise! But go where?
2. Registered as "in" But "decked-off"
3. S.D.A - Did we lose it?
4. Day of Pleasure? Then why so dread?

We encourage all churches to promote **BBM** diligently and to financially support at least one delegate in attending this year's BBM. Registration can be done online by using this link: <https://goo.gl/r3U7di>, or at the Youth Department's Office or at the Conference Treasury.

**Register NOW** to facilitate best planning for your needs. **Registration closes on June 11<sup>th</sup>, 2018 at 4:00 pm.**

A blessing awaits all! Please be there!

Yours in Youth Ministry
