**SOUTH CARIBBEAN CONFERENCE OF
SEVENTH-DAY ADVENTISTS SAYS:**

THANKS TO OUR CHURCH SAFETY OFFICERS!!

To be read in all Churches

Greetings in the wonderful name of our Lord, Saviour, Protector and soon Coming King – Jesus Christ.

On behalf of the Administration, Directors and Staff of the South Caribbean Conference of Seventh-day Adventists, my family and myself, I wish to expressly thank you for your co-operation and vigilance during the year 2017 in creating a safer environment within our churches, schools and during social events/activities.

You are indeed the silent heroes!

It was a pleasure working along with you.

I look forward to working together during the ensuing year.

May the Lord bless you, your family, church and school immensely.

Sincerely

Selma Baptiste-Charles
