Dear Brethren:

Salutations, blessings and best regards to all the Church of God!

It gives me great pleasure on behalf of the Administration of the South Caribbean Conference to thank all the members, officers and workers of the Seventh-day Adventist Church in Trinidad for your support to the cause of God in this part of the vineyard. In spite of the social, spiritual and environmental turpitude experienced in 2017, we must agree, that the Lord has been with us and He has seen us through.

So then, as we approach 2018 we can still declare *"Bless the Lord O my soul: and all that is within me, bless His holy name. Bless the Lord, O my Soul, and forget not all His benefits."* Psalm 103:1-2

We are pleased to inform that the Administration of the Conference in conjunction with the Caribbean Union Conference will host a **Convention and Ordination Service on January 13, 2018 at 9:00 a.m. and 3:00p.m. respectively, at the Auditorium of the Center Pointe Mall, Ramcharan Street, Chaguanas.**

Truly, this will be a momentous occasion as, one Pastor from the General Conference, one Administrator from the Caribbean Union Conference and six (6) Pastors from the South Caribbean Conference will be ordained. It will be a privilege to have our entire membership present, however, due to limited seating at this venue, we will provide a live stream of the proceedings so that it can be viewed in your churches. Therefore, we invite each church to choose five Church Board members, who will receive admission tickets from your Pastor to represent the church at this Convention and Ordination Service.

We solicit your earnest prayer for these eight (8) Ministers and the entire Pastoral staff and their families in a significant way. We are at the end of time and are at war but we also know the Victor! As a Church we acknowledge that God is doing a great work in this country, we therefore pledge our service to Him and pray, "Lord Transform Me" for service here and wider service in life to come.

Yours in the Master's Service

LESLIE MOSES
