Dear Brethren:

I greet you in the wonderful name of our Lord and soon coming Saviour Jesus Christ!

It is with profound gratitude that I take this opportunity to thank the membership for your support and spirit of revival during the past months of national and local revivals in our churches. These were indeed thought provoking, enlightening and spiritually dynamic meetings hosted by Drs. Curtis Fox, Patrick Vincent and the Ministerial Workers of the Northeastern Conference.

In addition to reviving and restoring our commitment to hold fast until He comes, ninety-eight (98) men and women were snatched from the hand of the enemy and entered into the fold of God's Kingdom. To this we say 'To God be the Glory'.

The daily signs of the times constantly remind us that Christ's coming is very near and we encourage you to maintain an attitude of revival and reformation as we come to the close of 2017.

Yours in the Master's Service

LESLIE MOSES  
President
