Dear Brethren:

Greetings!

Brethren, it's that time again. It is the time for our boys to come apart and be tooled with the necessary skills and knowledge needed as they rapidly approach manhood.

The Men's Ministries Department extends an invitation to our churches to, once again, partner with us in this ongoing exercise of equipping our young men for life in the 21st Century and for eternity, especially in this season where **'MANHOOD IS IN A STATE OF CRISIS'**.

REAL-boys Camp 2018 will take place at the **Ridgewalk Camp and Conference Centre, Lily Trace, Siparia** for the period Sunday, **July 15 - Wednesday, July 18, 2018**. Registration costs \$350.00 without transport and \$400.00 with the supply of transport. Transportation will be provided from SCC Grounds to the Camp location (see flyer attached).

Our team of facilitators is geared to prayerfully undertake this God-ordained opportunity to assist in the formation of Godly characters to assist our future leaders during this transition into manhood. We are encouraging the members to give prayerful consideration to sponsoring a young man from the church or community for this camp. **Registration Deadline: JULY 6, 2018.**

May God continue to bless us in as we continue in our journey

Yours sincerely

Wayne Sampson

WAYNE SAMPSON (Pastor)
Director, Men's Ministries
