Cor. Eastern Main Road & Deane St.
St. Augustine
P.O. Box 66
Port of Spain
Trinidad W.I.

ATTENTION:

Church Clerks

PHONE:
1 (868) 224-3218

Dear Brethren:

FAX:
1 (868) 645-3551

I greet you in the wonderful name of the Great Physician, Jesus Christ!

May 12, 1820 marked the 200th Anniversary of Florence Nightingale's birth. This day was designated as **International Nurses' Day**. However, due to the COVID-19 situation, our Conference was unable to celebrate the nurses of our Conference on that date. Sabbath, November 28, 2020 (*HIV Awareness Day*) has been designated **DAY OF THE 21ST CENTURY FLORENCE NIGHTINGALES** by our Conference. On this date, all the active and retired nurses and midwives as well as our frontline workers would be recognised.

In an effort to successfully identify the above mentioned persons and other health professionals, the Health Ministries Department is seeking the assistance of the Church Clerks to complete the attached forms which will be forwarded to us via our google.

<https://forms.gle/w6Gks4Za6qFN2Wvf9>

We are aware that data has been collected in the past. However, we are updating our records with a view to achieving the following goals:-

1. To collect the names of all Active and Retired SDA Nurses and Midwives for Recognition Service
2. Formulate a Medical Professionals Directory for the South Caribbean Conference
3. Organize Zonal Health Teams for service in Health Outreach Initiatives, and for disaster preparedness
4. Improve communication between Health Ministries and the churches

We anticipate your cooperation, requested data must be submitted no later than **FRIDAY, OCTOBER 30, 2020**.

May God continue to bless us as we minister in His Service.

Yours sincerely

VICTORIA DE COTEAU
Director, Health Ministries
