Christian Greetings to all the Saints in the Household of Faith. Due to the low registration for the recently planned **EMERGENCY RESPONSE SIMULATION EXERCISE TRAINING PROGRAMME** that was carded for January 18-20, 2019 we were forced to postpone this critical training event.

We are pleased to announce that we have rescheduled the training, which will now be held from **March 29 -31, 2019**. The recommendation is for each of the Zones of the South Caribbean Conference to appoint an **Emergency Response Team** consisting of four (4) volunteers. These volunteers are then required to participate in this specialized training program. **REGISTRATION DEADLINE : MONDAY, MARCH 11, 2019. Late Registration is being discouraged.**

The following roles are to be considered when selecting the team:

1. **An Emergency Response Coordinator (ERC)**
2. **A skilled Communication Coordinator** to work with our ADRA Office communication Team Leader for disseminating official information rapidly throughout the Zonal Network.
3. **A Rapid Assessment Team leader.** Each team leader should attempt to access the Rapid Assessment Forms available in soft copy. These were already emailed to every church.
4. **A Logistics Leader/ Relief Coordinator.**

Please note that other Team Leaders will be facilitated at another session.

The persons already participating in the **Trauma Support Initiative** with Dr. Clarke, please note that the Trauma Support Training continues on **Sunday, March 10, 2019** from 9:00 a.m. at the **Good News Chapel, SCC Grounds**. Kindly contact 1 (868) 224-3218 ext. 4565 for more information

Yours in Service
