Dear Brethren:

Greetings in the wonderful name of Jesus!

We were greeted with the welcomed news from the Honourable Prime Minister, Dr. Keith Rowley that churches will be allowed to reopen on June 11, 2020 with certain restrictions. Further to this announcement, additional information was given necessitating other adjustments to our guidelines.

As an Administration, we therefore, take this opportunity to welcome you back to church services at your regular place of worship. We thank you for your faithfulness, participation, and support during the months of online church services and trust that your faith has grown stronger while you stayed home.

As you resume church worship, we again urge you to adhere to the guidelines given for church services. We have already observed in some churches that re-opened, that members were not wearing their masks as per the government guidelines. We are kindly requesting that we make every effort to do what is required in the best interest of all concerned.

We have attached amended guidelines for re-opening, which includes congregational singing (**with mask**) as well as a suggested time for the length of the service, that being 1 ½ to 2 hours maximum.

Once again, we thank you for your faithfulness to God and invite you to join us in Thanksgiving this **Sabbath June 27, 2020** beginning at 9:00 a.m., for great things He has done. May God bless you.

Yours In the Master's Service
