Dear Brethren:

A wonderful Savior is Jesus Christ my Lord! I greet you in His holy name.

As a Conference we have been praying about the Corona Virus and we will keep our prayer vigil ongoing until we hear that this virus is eradicated. We claim it in Jesus name! In the mean time we would not panic as those without hope.

In the light of the first reported case of the Corona Virus in our country the South Caribbean Conference Executive Committee voted to postpone Camp Meeting and all other Conference sponsored training and gathering activities until further notice. This includes all Workshops (Sabbath Schools, Special Needs, Personal Ministries Workshop etc.) The Caribbean Union Conference also decided to postpone the Holy Convocation.

This is not a panic measure but a precautionary procedure for the safety and security of our members and the wider community. Our churches will remain open as we meet to pray this virus away. We will however, admonish church members and visitors who are having flu like symptoms to stay away from church services and view online services like 3ABN. We cannot over emphasize proper personal hygienic practices and health practices to build ones immunity.

The Health Ministries Department has issued a very comprehensive guideline document which is attached to this letter.

I would urge you to keep faith in God as He leads His people through this pandemic. Even so come Lord Jesus!

Yours in the Master's Service

LESLIE MOSES  
President
