GEMS UPDATE:

Dear Brethren:

Greetings!

The Women's Ministries Department will be hosting our Fifth instalment of the **Girls of Excellence and Moral Standards (GEMS)** event. This time we will be bringing the programme to the Central Region on **Monday, March 30, 2020** from **9:30 am**. **GEMS** will be held at the Sandy Hill Nature Park, Freeport.

You may agree that to ensure a seamless event a number of requirements must be met in advance. These include providing adequate accommodation for all attendees. As a result we have implemented a strict registration process. Although we appreciate the overwhelming, last minute support for **GEMS**, this situation normally poses a challenge to the programme organizers.

As a result, we are imploring our Women's Ministries Department Leaders, Parents and School Leaders to have **ALL PARTICIPANTS** registered in advance. Registration costs one hundred and twenty dollars (\$120.00) which includes the provision of a new redesigned GEMS T-Shirt. Please note that **ONLY** registered persons will receive a T-Shirt. You are asked to indicate the T-Shirt sizes of your participants when completing the online registration data sheet. Kindly visit the SCC Cashier to make your payments immediately after online registration. Registration ends on **WEDNESDAY, MARCH 25, 2020**.

Bring out our young ladies, bring your picnic baskets, water coolers, food, snacks and come out to enjoy a day s of horseback riding, bike riding, badminton, beautiful interaction, life changing sessions and much more.

We solicit your prayers for the planners and the success of this growing youth ministry. We are equipping our daughters and seeking to strengthen their bond with Christ. Your contribution makes the difference.

God bless!

Yours respectfully

Ruslyn Baptiste-Farfán
