Dear Brethren:

Greetings in the majestic name of Jesus Christ the Lord.

Indeed we can all say thanks be to God for His care and preservation during 2018 which is quickly hastening to a close. Health Ministries is extending sincere gratitude to all **Health Personnel** who gave of their *Time and Talent* during 2018. Your input in the training, educating and empowering of both the membership and community towards healthy lifestyle and spiritual transformation has not gone unnoticed.

To all the incoming Health Officers, we welcome you to the "*Right Arm of the Gospel*" and encourage you to prayerfully undertake this Ministry, with the understanding that we are in the business of health and evangelism. All gospel workers have that assurance that "*we can do all things through Christ who strengthens us*" *Philippians 4:13*.

May God's choicest blessings continue to attend your way. Please see hereunder the details of some of the activities for 2019. Your presences and participation is anticipated.
